# Wire Series Base

## Product Type

Base for Wire Top Marble,  
Wire Disc or Wire Pot

## Production Process

The base is square steel rod which has been welded together and finished with a polyester powder coating, for outdoor use.

## Dimensions (cm / in)

Ø: 23 cm / 9"

H: 20 cm / 7,9"

Ø: 23 cm / 9"

H: 40 cm / 15,7"

Ø: 23 cm / 9"

H: 60 cm / 23,6"

## Materials

Powder coated steel

## Colours

White, Black

## Care Instructions

To clean, simply wipe with a soft dry cloth.  
For tougher stains, please use a light soap, such as dishwashing soap, on a wet cotton cloth.

The inspiration for this charming and decorative series came while Kasper Rønn and Jonas Bjerre-Poulsen were visiting a Japanese-inspired garden in L.A. The garden had custom-made standing and hanging displays with flowers and light. Together with Japanese trees and small fountains it transformed the garden into a beautiful new kind of Art Deco style. Mix and match between the three varying heights, two colours options and Marble Top, Plant Pot or Oil Disc to your own tableau variations for either indoor or out.

## About the Designer

Norm Architects was founded in 2008 by Jonas Bjerre-Poulsen and Kasper Rønn. Norm works within residential architecture, commercial interiors, industrial design, photography, graphics and art direction. The name 'Norm' signifies the importance of drawing inspiration from norms and traditions within the fields of architecture and aesthetics, which have been refined throughout the centuries. Norm makes a virtue of focusing on quality, durability and timelessness. Their objective is to produce design which applies good materials and craftsmanship whilst embodying beauty, traditions, history and most importantly, timelessness.

# Wire Series Marble Top

## Product Type

Table top

## Production Process

The marble is milled and matt polished.

## Dimensions (cm / in)

Ø: 23 cm / 9"

H: 1,8 cm / 0,7"

## Materials

Marble

## Colours

White, Black

## Care Instructions

Use a soft cloth and warm, distilled water to clean marble component – especially after contact with food – then use a cloth to dry properly. Marble is very prone to water spots, so do not let it air dry. Avoid vinegar and other acidic cleaners.
